ALARM BOX "MINI" 24 POLES

Complete junction box for installation of alarm and access systems.

Anti-tampering protected junction box with 24 single pole terminals.

The terminal block is adapted to easily connect peripherals such as Alarmtech's magnetic contacts and glass break detectors.

The terminal block has 24 connections, 2 of which are intended for anti-tamper switch connection.

The box is flame-retardant according to UL 94 V-0.

The terminal has up to 1.5 mm² screw connection with elevator function.
